Highlights

Hard-shell polycarbonate case
This hard-shell case is made out of highly durable polycarbonate, so it provides strong protection for your device.

Crystal clear screen protector
The crystal-clear film adds an invisible layer of protection against scratches and dust to your device's display screen. It works using static adhesion, so it's easy to apply and remove without leaving any sticky residue.

Silicone dots increase grip
This case features non-slip rubberised or silicone accents to improve your sense of grip on your device.

Slim, pocket-friendly design
The slim design adds protection with minimal added bulk, so your device still fits easily into your pocket or bag for protection on the go.

Wrap-around protection
The material of this case wraps around from back to front, providing protection for the corners and perimeter of your device's face.

Covered buttons for protection
The case material covers the volume buttons, giving you push-through control while your device stays protected.
